AMERICAN SOLDIERS AND TORTURE

JOSHUA E.S. PHILLIPS

BRINGING TORTURE HOME: AMERICAN SOLDIERS AND THE LEGACY AND LEGALITY OF TORTURE

Joshua E.S. Phillips, a reporter and author of *None of US Were Like This Before: American Soldiers and Torture*, will speak about what many soldiers cannot: the devastating legacy of torture on the United States' veterans who witnessed or participated in it, with commentary from George Annas, J.D, M.P.H.

“This shattering book is a journey into the heart of American Darkness. What Joshua Phillips makes shockingly clear is that the misbehavior of some of our best soldiers in Iraq and Afghanistan came about because of a failure of military leadership and because political leaders lacked the courage to admit the word ‘torture.’” – Richard Rodriguez, author of *Brown: The Last Discovery of America*.
